Description

Ethno village and campsite „RT“ is designed as modern ethno village, combining the best from nature and past times with nowadays and modern era. We have restaurant with the most modern equipment where we serving traditional dishes from this region. Bungalows are made from oak wood, so we kept authentic look of past times, but inside they are equipped with modern furniture, bathroom and heating so yours stay here is comfortable as possible, even in a colder days. You can choose between:

Lux bungalows - all with private bathrooms and fully equipped

Hotel part - rooms with private bathrooms and lux rooms with jacuzzi bathtubs

For those who want complete connection with nature, in small wood , we created bungalow complex with shared showers and toilets (cheap accommodation). Of course, everybody can use all benefits of the complex (restaurant and the other facilities).

Also, there are:

Football court

Volleyball on sand court

School of shooting (archery and shooting)

Paintball court

You can also have fun with:

Billiards

Table football

Darts

For companies who want to organize team building we have a hall for meetings and presentations.
