

● : **COMPANYPROFILE** ●

Ever since I was a little boy I felt a need to explore, move from one place to another. By my third year, my grandmother predicted that I will be “a globetrotter”. Her prediction later expanded on to a great life goal: to visit a minimum of 100 countries during my lifetime. Whenever I can, I choose a new destination. The world is beautiful, every country has its own wonders. I invite you to join me in my quest of discovering some of these hidden treasures.

With the foundation of Alpha Travel South East Europe, my hobby transformed into a business, where my mission is to take you to the not-yet-discovered gems of Southern Europe. Friendly people, great sights to see, amazing nature, a variety of tasty food, unbelievable tradition and a lot of fun are waiting for you.

Are you ready to visit Hungary, Serbia, Montenegro, Bosnia and Herzegovina, Macedonia or Albania? I believe you are.

Just pack your bags, the rest is on us!

Denes Danko, CEO and Owner

● OUR HISTORY ●

The roots of Alpha Travel go back to the late 90s. Although the company name was different at that time, the vision was and will always remain the same: provide great service to people willing to travel. The company's journey began in the United States and followed its path across the globe to Jordan. Soon the experiences accumulated, as the activities spread throughout Turkey, Egypt, Morocco, and Tunisia. The Alpha company was officially established in the year 2014, opening branches in Hungary, the United Arab Emirates and Bosnia and Herzegovina.

As the cliché destinations nowadays become over-saturated with tourists and growing prices, it is our belief that people are open to new destinations, new adventures. That is why in 2016 we proudly opened the doors of Alpha Travel SEE - dedicated to warming the hearts of travelers and companies with new, unexplored territories, tasty food and unforgettable drinks and most importantly ...

with new, fond memories.
